## About This Game

Test your adventurer mettle against *The Isle's* procedural subterranean labyrinths. Explore a large, interconnected underworld crawling with cunning wildlife, deadly traps and stalked by a shadowy presence. Survive the perils of *The Depths* and unearth what lies below... or die trying..

**BELOW** is a procedural terrarium filled with life, mystery and death.

### EXPLORE

Explore the vast subterranean underworld of *The Isle*: a dangerous, unfathomable deep. Choose your path through the randomly generated labyrinth crawling with deadly monstrosities, traps and hazardous environments. Perma-death awaits at every false step, and there are no hints to guide you...

### SURVIVE

Spelunking through *The Depths* of **BELOW** is a treacherous endeavour, with death around every corner. The world is alive with flora & fauna, and there are many ways to scavenge materials and harvest ingredients to create life-saving remedies or useful survival tools...

### DISCOVER

What lies below? Only the bravest wanderers will find out. *The Depths* are filled with secrets and danger. **BELOW** embraces

---

the idea that players enjoy discovering secret areas, finding hidden passageways and unravelling the deepest mysteries hidden in the darkness...

---
