About This Game

Have you ever wondered if your room is too small to swing a cat?
Disclaimer: We have no responsibility should the answer be 'No' and you hit your controller based cat off a wall, monitor, television or significant other.
Swing your cat around, build up speed and let it go! How far will it go? No one knows.

Can you be the ultimate cat swinger?

Note: Shouldn't have to be said, but animal abuse is not cool. For goodness sake, don't swing your, or anyone else's cat around in real life!
